

Interactive Digital Access Program

The Interactive Digital Access Program (IDAP) is a new initiative between bookstores and publishers to provide students with their digital course material before the first day of the semester and at an affordable price

## PAY THROUGH YOUR MYUH ACCOUNT

Prior to the start of the semester, an IDAP Rental Charge will be added to your MyUH account. The amount of the IDAP Rental Charge will depend on the material being used in your course(s). You may pay the IDAP Rental Charge by paying-off all charges on your MyUH account

## ACCESS THROUGH LAULIMA

Our goal with IDAP is to give students access to their course material a week before the semester starts. You will access your required course material digitally, either through the left-hand menu of your course Lulima page, or through a URL provided by your instructor. Students who remain opted in to IDAP will have access to the course material for the duration of the semester.

## DECIDE IF YOU SHOULD OPT OUT

Participating in IDAP for your course is not mandatory, and you do have the option to opt-out, HOWEVER, by opting-out you will lose access to the course material and competitive pricing, and you will have to purchase the required course material on your own. The last day to opt-out for Spring 2019 is January 30, 2019. If you drop the class or opt-out before this date, the IDAP Rental Charge will be automatically refunded on your MyUH account.

**\* Please consult with your Professor before deciding to Opt Out**

## FREQUENTLY ASKED QUESTIONS

### How much will I pay for my digital course material under IDAP?

Price varies depending on course material chosen by the instructor. The IDAP price will be lower than what is listed on the publishers website. The price of digital course material through IDAP can be up to 70% cheaper than printed materials

### Is there a due date to pay off my IDAP Rental Charge?

Since the charge is on your MyUH account, the IDAP Rental Charge payment deadline follows the University of Hawai'i's payment deadline. If you have not made payment arrangements for charges on your MyUH account, any unpaid charges will eventually become a hold.

### What if I prefer to have a physical book, instead of digital?

Students who do not opt-out have the option to purchase a printed copy of the eBook at a lower price. Please contact your campus bookstore for more details
